

GRAĐEVINE U BUDUĆNOSTI

**Izložba slika učenika 5. razreda OŠ Petra Zrinskog na
temu građevina u budućnosti.**

Građevine u budućnosti zamišljene su raznolikih oblika i namjena (muzeji, škole, vrtići, aerodromi, svemirske postaje itd.) te iskazuju maštovitost i kreativnost, ali i originalnost i individualnost učenika.
